

CHILD PROFILE QUESTIONNAIRE

Dear Families,

To provide the highest quality care for each child, it is important for educators and families to work together to establish common goals and learning paths for each child.

Individual and group programs are designed by taking into account observations of children's interests, needs, developmental milestones, skills, abilities and family input.

Please provide your thoughts and comments on the following topics to assist in the development of your child's program.

Childs Name:	Date of Birth:
What are your child's current eating and drinking habits and patterns?	
What is your child's current sleep routine? Do they have a comforter for rest time or any other special requirements?	
What is your child's current toileting routine?	
Does your family have any cultural considerations or significant events which we can incorporate into our learning environment?	
Does a member of your family possess any skills, interests or talents which they are able to contribute to the programme? (Eg, guest speaker, cook, play musical instrument etc)	
What are child's current interests and play preferences?	

What are the new skills that your child has begun to achieve?

What are the aims or goals that you would like to see your child achieve throughout the year?

What excursions/incursions or other guest speakers would you like to see organised for the centre within the coming year? Are there any significant events you would like to see added to our Calendar of Events for the year?

Please list titles your child uses for significant people within the family:
