

SERVICE PHILOSOPHY

Trikki Kidz Yarrowonga provides a warm, welcoming, supportive, and caring environment where children feel confident, secure, and safe. We nurture secure, respectful, and reciprocal relationships with children, recognising that children need security, love, affection and strong relationships with educators and staff to thrive and develop to their full potential.

Trikki Kidz Yarrowonga recognises the importance of building and maintaining collaborative partnerships with families. We recognise that families are children's first and most influential teachers. We encourage families to become involved in our service at a level of participation that suits them. Partnerships are based on understanding each other's expectations and attitudes and building on the strength of each other's knowledge.

Trikki Kidz Yarrowonga is strongly committed to providing a consistently high-quality early learning service. Our educators and staff hold high expectations for children's achievement in education. We continually strive to find equitable and effective ways to ensure that all children have opportunities to achieve learning outcomes.

Trikki Kidz Yarrowonga respects the diversity of families and communities. Our educators and staff honour families' histories, cultures, languages, traditions, child-rearing practices and lifestyle choices. We value children's capacities and abilities and respect differences in families' home lives. All children receive equal opportunities regardless of socio-economic background, ethnicity, sex, race, or physical ability.

Trikki Kidz Yarrowonga recognises the importance of ongoing learning and reflective practice. We continuously challenge and extend educator and staff knowledge through a diverse range of professional development. Our educators and staff become co-learners with children, families and community, and value the continuity and richness of local knowledge community members share.

CONTINUOUS IMPROVEMENT/REFLECTION
